- Chris P is exploring the option of chip timing for the race.

Chip timing cost \$4 per rider, or a minimum of \$900.00

Previous cost was \$300, but has been inconsistent and unreliable.

Chris P will explore a possible sponsorship subsidy with the Chip supplier.

- Dave is looking into the pricing of gravel to service the driveway into the Trail Head.

Current quote is \$235 per load x 4 including Dozer fee.

Consulting with the Flying Club re; contributing to this fee as it is a shared access.

- Brian is looking into a plowing contract and Quote for the Driveway and Parking lot for next winter.

- Chris F to inquire re; insurance for the contents of the Storage Container in the Parking Lot.

- Chris F. Motion to procure Liability Insurance for the Directors and Officers of the Executive Committee.

The rate being \$275 per year from our Current Provider Oasis insurance.
